ACTION TAKEN REPORT ON STAKE HOLDERS FEEDBACK

BACHELOR OF ENGINEERING

ACADEMIC PERFORMANCE AND AMBIENCE

(AY: 2022-2023)

Stake holder	Feedback Suggested	Action Proposed	Action taken
Students			
Mechanical Engineering Students	The electives can be choosed in line with the technological advancements.	Planned to choose electives related to technological advancements. The feedback was submitted to the governing council.	The IQAC suggested subjects which are not elected for academic was to be considered for value added courses. The governing council approved the same and the VAC courses will be planned accordingly.
Electrical and Electronics Engineering Students	The library and laboratory equipment's can be improved.	Forwarded the feedback and discussed with the HoD, Librarian and finance committee.	Instructed the HoD and Librarian to verify the working condition of equipment's and submit the purchase order if any requirements
Computer Science and Engineering Students	Food facilities in the canteen and maintenance of hygiene in mess were satisfactory.	Conveyed to the canteen In charge through Principal to improve the quality of food and hygiene in the mess.	Necessary Action taken through the Head of the institution.
Electronics and Communication Engineering Students	Experiments can be conducted more realistic manner.	Planned to demonstrate students by the faculty batch wise.	The IQAC instructed the lab handling staff members to demonstrate the lab experiments clearly to the student's batch wise.

Staff		
The working environment can be improved in a better way.	The IQAC Coordinator affirms equal opportunity to all the staff members in attaining our institutional goals.	For every work in the academic process separate committee was formed and the every member was instructed to participate in it which will be supervised by IQAC.
Employer		
The Curriculum has not supporting innovative thinking.	Curriculum was prescribed by the university. Which cannot be altered as an affiliated college. Innovation club and activities has to be proposed which will provide additional opportunities for learning.	IQAC proposed IIC to governing council after the approval of governing council; IIC was formed under Dr M Ravindran HoD/EEE.
Alumni		
MOOC platform can be utilized for students learning purpose.	Suggestion was forwarded to the Governing council and Head of the institutions.	Swayam, NPTEL and MOOC were planned to organize from the next academic year.
