

UNNAMALAI INSTITUTE OF TECHNOLOGY

Suba Nagar, Kovilpatti-628502

Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai

An ISO 9001:2015 Certified Institution

Department of Computer Science and Engineering

VISION:

To realize a sustainable, excellent graduate by encouraging creativity and calculated risk-taking and cultivate a culture that values academic excellence, promotes collaboration, innovation, and a passion for learning to release the full potential of our students.

MISSION:

- To develop intelligent and highly talented people with leadership abilities.
- To emphasize the importance of industry exposure, providing hands-on experience for students to gain practical knowledge.
- To instill in our students a professional attitude, strong ethical values, leadership skills, and a desire to contribute positively to the community and pursue entrepreneurial ventures.

Dr. D. RAVINDRAN, M.E., Ph.D.,
Principal
Unnamalai Institute of Technology
Suba Nagar, KOVILPATTI - 628 502.

CHICAGO, ILLINOIS

UNNAMALAI INSTITUTE OF TECHNOLOGY

Suba Nagar, Kovilpatti-628502

Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai

An ISO 9001:2015 Certified Institution

Department of Electrical and Electronics Engineering

VISION:

To provide new and advanced teaching and learning techniques in the areas of Electrical and Electronics Engineering that cater to the requirements of both society and industry.

MISSION:

- To provide comprehensive education with effective teaching and learning methods, as well as value-added courses, to establish a strong foundation of knowledge.
- To tackle real-world issues and create sustainable ethical solutions.
- To promote collaborative and interdisciplinary research activities that meet the needs of society.

Dr. D. RAVINDRAN, M.E., Ph.D.,
Principal
Unnamalai Institute of Technology

Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai

An ISO 9001:2015 Certified Institution

Department of Electronics and Communication Engineering

VISION:

To provide a high level technical education by delving into the latest trends and technologies in Electronics and Communication Engineering.

MISSION:

- To offer an all-encompassing and efficient engineering education to students, along with advanced resources that promote effective communication and creative development.
- To achieve this by working in collaboration with academic, industry, and research institutions.
- To create a conducive learning environment that fosters industry readiness in the fields of Electronics and Communications Engineering through active innovation and hands-on experience.

An ISO 9001:2015 Certified Institution

Department of Mechanical Engineering

VISION:

To produce competent and skilled Mechanical Engineers through comprehensive education and training programs and provide value-added courses that enable graduates to tackle real-world problems and develop sustainable solutions.

MISSION:

- To teach the thrust areas of Mechanical Engineering using innovative teaching and learning approaches.
- To collaborate with industry and research institutions to solve real-time problems.
- To create opportunities for students to become successful entrepreneurial aspirations.
